

AYHAM KINDAKLY

SUMMARY

Motivated Frontend Developer with a strong foundation in HTML, CSS, JavaScript, and modern frameworks like React.js. Skilled in creating responsive and visually appealing web interfaces. Dedicated to continuous learning and collaborative teamwork to deliver user-centered solutions.

WORK EXPERIENCE

Front-end Development | Freelance, Remote 07/2023 - 12/2023

- Assisted in building and developed responsive web applications using HTML, CSS, and JavaScript.
- Worked closely with designers and backend developers to create seamless user experiences and integrate new features, enhancing overall project cohesion.
- Enhanced performance by optimizing code and images, achieving a 25% improvement in load times and user experience.

Warehouse Operator | Everphone GmbH, Berlin 07/2021 - 01/2022

- Utilized the ERP system (Odoo) to manage receiving, storing, and shipping goods, ensuring efficient operations.
- Conducted inventory adjustments and checks, resulting in a 15% reduction in discrepancies.
- Prepared packages based on customer orders, maintaining a 98% on-time shipping rate.

Logistics Team Leader | GiaPizza GmbH, Berlin 04/2019 - 03/2020

- Managed and supported a team responsible for warehousing, inventory control, and transportation.
 - Implemented continuous improvement processes, reducing lead times by 10% and increasing overall workflow efficiency.
 - Trained and mentored team members, resulting in a 20% improvement in overall performance and efficiency.
-

EDUCATION

Front-End Engineer | Codecademy, Online 01/2023 - 04/2023

- Completed a comprehensive curriculum covering advanced JavaScript, React.js, and popular frontend frameworks.
- Developing expertise in responsive design, ensuring seamless website adaptation to diverse screen sizes and devices

Full-Stack Development | Spiced Academy, Berlin

08/2022 - 11/2022

- Gained expertise in both frontend and backend technologies, including Javascript, Node.js/Express, React.js, and PSQL.
- Worked on collaborative projects integrating frontend and backend systems, emphasizing scalable and maintainable code.

Bachelor of Science in Economics | SVU, Online

10/2016 - 11/2020

- Developed a solid foundation in business principles and management practices.
- Specialized in Business Administration with an emphasis on Operations Management
- Certificate recognized by ZAB, Bonn Germany in 2021.

PROJECTS

Portfolio Website

- Developed a personal portfolio website using React.js and TailwindCSS.
- Integrated animations and ensured responsive design for desktop and mobile devices.
- <https://akindakly.netlify.app/>

Pizza Order Website

- Built a dynamic e-commerce site using Next.js and MongoDB with features like a admin panel and product filters.
- <https://pizza-now-now.vercel.app/>
